Craft Cocktails 18

We have mixed up some unique recipes and each Cocktail is a journey that will take you on a thrilling ride of taste, texture and aroma of different parts of India!

IGNITE MY SENSES

A bold, fiery cocktail that truly lives up to its name — bright citrus hits first, followed by a warming spice kick that sneaks up just when you think you're safe. It's zesty, punchy, and guaranteed to wake up the table conversation. Not for the shy, but perfect for anyone who likes their drinks with a bit of drama and a lot of personality.

BOOZY MANGO LASSI

A creamy tropical blend that feels like a holiday in a glass with a playful grown-up twist. Smooth mango sweetness meets a rich, boozy finish that makes it dangerously easy to sip. It's a comfort, dessert, and cocktail all in one — the kind of drink that makes you forget you ordered food because you're too busy enjoying it.

AMROOD MARY

A vibrant twist on a classic style, bursting with guava sweetness, tangy citrus, and a cheeky hint of spice. It's refreshing but never predictable — each sip keeps you guessing in the best way. Think of it as the "fun guest" at the table who somehow becomes everyone's favourite by the end of the night.

JAMUNTINI

A rich, playful mix of jamun's natural tang with a creamy, indulgent twist that feels like dessert decided to get dressed up for a night out. Sweet, slightly tart, and luxuriously smooth — it's the drink that makes people pause mid-sip and say, "Okay... this is actually dangerous."

BLACK PEARL

Dark, elegant, and beautifully layered — this cocktail brings deep berry richness, a refreshing citrus lift, and a silky frothy finish that feels almost luxurious. It's mysterious without being intimidating, smooth without being simple, and just fancy enough to make you feel like you ordered something special (because you did).
